Dear Counsel:

I have received Ms. Valtorta's request that we schedule this matter for a hearing. As you all may recall, I am the Hearing Examiner in this case. My recollection is that we (counsel for the parties and myself) have had a conversation about how to proceed in this matter, and that there was some preliminary discussion of dismissing this matter without prejudice with the intent of addressing the issues raised by Mr. Bozeman in the rate case now pending before the Commission. My understanding is that Mr. Bozeman does not dispute that the Utility is charging his company rates authorized by the Commission or imposed under bond as provided by statute. Rather, he disputes the fairness of the method of calculating his rate. Accordingly, I am unsure as to what relief Mr. Bozeman is requesting and what relief he believes the Commission can provide.

I urge that Counsel review Order No. 2013-660 in Docket No. 2013-42-S, as that very recent Order addresses the issues raised by Mr. Bozeman in his complaint. Here is the URL to the Order: <http://dms.psc.sc.gov/pdf/orders/C80BF3CC-155D-141F-23A589E499552575.pdf>

I invite all Counsel to advise me of their respective positions in this matter.

Thank you for your cooperation.
